• REFLECTIONS FROM OUR EXECUTIVE DIRECTOR - CATHY HUGHES

I want to say thank you to all the residents here. The past 3 months have been a joy to learn who you all are. I appreciate you welcoming me into your home. June was a busy month. Lots of positives. The gas firepit is working outside. Please feel free to use the timer on the side of the building then you need to push the button on bottom of the firepit. If you are unsure and want training, please see me. Outside window washing will take place on July 20th, weather permitting. Landscaping will continue and we hope to have some fun activities coming your way. Please welcome all the new residents we have coming into our building.

🎉 Happy 5-Year Anniversary, June Beaver! 🎉

June moved to Talamore on June 20, 2021. Thank you for being a valued part of the Talamore family—we're so glad you're here!
